Student Earned Income Exclusion for SSI

Are you in school and earning money? The Student Earned Income Exclusion for SSI (SEIE) lets you earn some money without affecting your SSI benefits. To qualify, you must:

- Be receiving SSI benefits
- Be under 22 years old
- Regularly attend school, college, or training

With SEIE, you can earn \$1,870 per month. If you earn more than \$7,550 in a year, your SSI benefits will be affected, but you are still making more money.
